

Now you can have **fresh customized daily content** for your website or blog by including one of our BustedHalo® widgets on your site. **Every day** new stories, essays, columnists, video features, bloggers, the Googling God question of the day and our Daily Jolt can be yours to offer your readers. Your site will have **something new** for your visitors to come back for that will challenge, intrigue, inform and inspire them whenever they visit.

To receive the widget, just email [widget@bustedhalo.com](mailto:widget@bustedhalo.com) and include the name of the widget you wish to receive in the subject line. Feel free to request just one, a combination or all three.

Option A)  
**“Contemplation in Action”  
 Daily Jolt Widget**

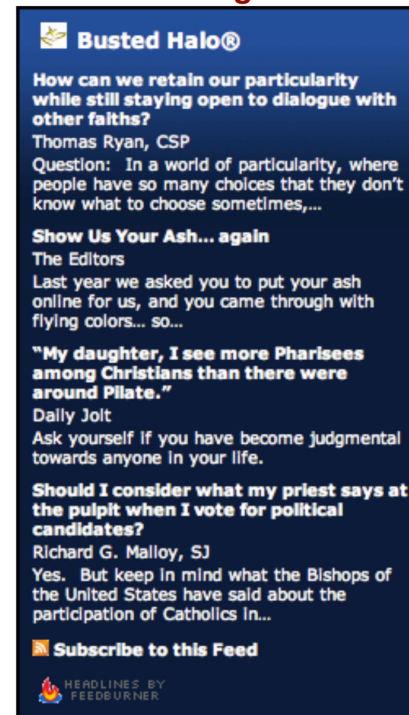

*The Daily Jolt widget offers an inspirational quote from an unexpected source and a micro-challenge to put that moment of reflection immediately into action.*

Option B)  
**“Catechesis in Action”  
 Question Box Widget**

*The Question Box widget offers daily questions of faith from our readers, answered in detail by our panel of experts.*

Option C)  
**“Content in Action”  
 Headline Widget**

*The Headline Widget includes both the Daily Jolt and Question Box content as well as listing Busted Halo’s most recent and up-to-date feature stories.*
